EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Sangeeta G. Shah on August 29, 2007.

The application has been amended as follows:

In the claims:

In claim 20, delete "NH₃ generating materials" then insert --wherein the lean NO_x trap is optimized for generation by minimizing oxygen storage capacity of the lean NO_x trap-- before "a NH₃-SCR catalyst" (first occurrence).

40. (new) An emission control system for controlling NO_x and NH₃ emissions from an exhaust stream produced by the combination of an air/fuel mixture in an internal combustion engine, the system comprising:

a lean NO_x trap in communication with the exhaust stream for NO_x reduction, to provide a NO_x reducing exhaust stream including NO_x and NH₃, wherein the lean NO_x trap is optimized for NH₃ generation by minimizing oxygen storage capacity; and

a NH₃-SCR catalyst in communication with the exhaust stream for adsorbing NH₃, wherein the NH₃ adsorbed by the NH₃-SCR catalyst reacts with NO_x in the NO_x reduced exhaust stream to improve the reduction of NO_x and NH₃.

Art Unit: 1764

Claims 24-29, 32, and 36-39 are cancelled.

Claims 1-23, 30-31, 33-35, and 40 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art fails to show or suggest as in claims 1, 20, 30, and 40, the lean NO_x trap is optimized for NH₃ generation by removing or minimizing oxygen storage capacity" in combination with the additional features recited therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
